

What a busy few months we have had here at On Track Westbury! We would like to share with you some of the exciting activities we have been up to!

We have been incorporating our core values into the school which are Trust, Resilience, Ambition, Community and Kindness. The students gain points for each of the core values they show throughout the school day and work towards rewards!

The students can demonstrate trust by following expectations, Resilience by staying focused even when things were challenging, Ambition by putting effort into their work, a sense of Community through positive interactions with others, and Kindness in their words and actions.

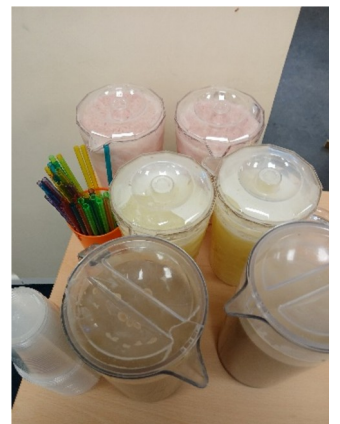

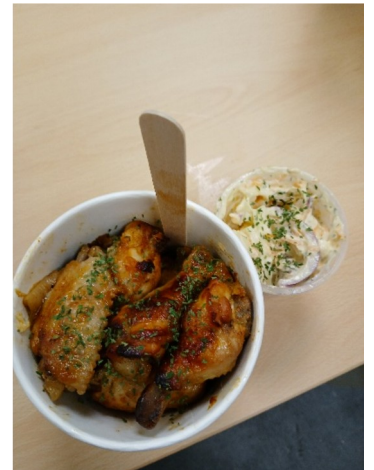

Burnt Chef-

Three of our students have been working hard in the kitchen in their 'Pop up café' providing yummy dishes for staff and students to raise money for the Burnt Chef Project.

The aim of Burnt Chef is to promote positive mental health within the hospitality industry.

So far our students have raised a whopping £225 from two Pop up's!

Well done to those students and the staff who work alongside them. 😊

VE Day Celebrations:

To celebrate VE day, lots of our students helped to make sandwiches and other goodies for our school lunch.

As you can see we were spoilt for choice and everything was delicious ☺
