### A Note from Jo

Wow. What a busy term!

I am so proud of our students and their achievements this term.

The students have been working hard. Some students have sat Functional skills exams, 4 students have completed the Arts Award and we are awaiting verification. They have developed their Independence skills cooking amazing food for lunch and an out of this world Christmas Lunch: Big Shout Out to Josh, PJ, Meg and Mathew, and to Lily for teaching us Christmas crafts.

The students are working hard to ensure On Track Advance becomes an Eco School.

In the New Year we will be introducing a Whole School Book Club, further ECO activities, Wellbeing activities and a school council. We will also be twinning with a school in India.

I am so PROUD of each and every student and staff member. Well done to all! 😊

## Our school

Well done everyone for your hard work this term and thank you to all our parents/carers for your continued support.

Merry Christmas
