

Dear Parents & Carers,

As we come to the end of a busy and purposeful Spring term at On Track Westbury, I want to take a moment to celebrate our students, share some highlights, and thank you for your continued support.

Celebrating our students

We have been incredibly proud of the calmness, maturity and determination shown by all students sitting external exams. They have worked exceptionally hard, and their attitude has been exemplary.

Across the school, students have also demonstrated fantastic practical skills, particularly in cookery, where their creativity, flair and confidence continue to shine.

A special mention must go to our adopted gerbils, who are undoubtedly the most pampered and well-looked-after small animals in Wiltshire—thanks to the care and responsibility shown by our students.

Learning beyond the classroom

This term has been rich with opportunities for students to explore, connect and grow:

- Trips to Longleat, the White Horse and golf driving range
- The Community Garden project in Dilton Marsh
- College visits, with places now secured for our leavers
- Work experience placements, giving students valuable insight into future pathways

We are also delighted to share that On Track Westbury has been recognised by IdVerde as having Sustainability Champion status—a reflection of our students' commitment to caring for their environment.

Safeguarding and community voice

Thank you to everyone who took part in our recent Risks Outside the Home (ROTH) safeguarding survey. We received an impressive 74% response rate, giving us a strong understanding of the experiences, concerns and protective factors within our community.

For more details the survey outcomes please click on this document link:

 [Parent & Carer Summary_ Safeguarding Survey \(Spring 2026\).pdf](#)

Your feedback directly strengthens our safeguarding work and helps ensure that every child feels safe, supported and able to thrive.

[Save the Dates](#)

We have several exciting events coming up, and we would love to see as many families as possible join us:

- **15th June – Healthy Schools Curriculum Day (further details to follow after half term)**
- **26th June – Leavers Event (parents & carers of all leavers welcome)**
- **10th July – School Fete (Carnival theme – you are welcome to come dressed to impress!)**

These events are wonderful opportunities to celebrate our students and come together as a community.

As always, thank you for your partnership and valued support. We wish all our families a peaceful and enjoyable break, and we look forward to welcoming students back refreshed and ready for the term ahead,

Kind regards,

Rachel
