### Attainment Scale

Our Attainment Scale is used to provide a summative level for attainment and to monitor progress. It provides a standardised progression route from Entry Level to grade 9 at GCSE and gives a visual representation of the equivalent grading comparisons between different qualification frameworks.

The Attainment scale subdivides attainment levels EL1, EL2, EL3 and 1-9 to show more incremental progress. These are denoted by: E= Emerging, D= Developing and S= Secure.
